

CELEBRATE OKTOBERFEST

at Mountain Lake!!

What does Dirty Dancing, fall foliage, Sunday Brunch, and Oktoberfest have in common? It is the reason folks are flocking to Mountain Lake in Giles County, Virginia. Located just 30 minutes from Virginia Tech off State Route 460 and a little over an hour from the Blue Ridge Parkway MP 165, the scenery alone is worth the drive...but then let's add in Oktoberfest – music, scrumptious food and dancing, oh and don't forget the beer (Ein Prosit!!). The evening begins with pretzels, sausages and

beer. Then the ceremonial carving of the pig, traditional German buffet, lots of interactive music and entertainment with the Sauerkraut Oompah band and beer. Did I say beer? Oh, and the dancing.... Polka in the aisles anyone? Of course, you don't have to leave the mountain after celebrating, just stay in one of the comfy rooms where Oktoberfest is included in your stay along with breakfast and recreation. Of course, you can just drive up for the festivities (just \$35 per person). Reservations and advance tickets are required. Join us September 17, 24 and 30th and every Friday and Saturday in October –lederhosen and stein optional.

6th Annual Blue Ridge Mountain Music Fest in Wintergreen, VA

The Blue Ridge Mountains are a painter's paradise, rich with the pink of mountain laurels; the blues, lavenders and purples of mountain and sky; the greens of the summer forest, turning to fire as the autumn advances; and, when the eye is weary, the subtle, stark colors of winter. But the Blue Ridge has a voice as well. The Blue Ridge speaks through mandolins and guitars; fiddles and basses; banjos and autoharps. The Blue Ridge speaks in the plaintive high

lonesome tenor of the balladeer and the longing soprano sigh of the weary mountain woman. The Blue Ridge sings the story of America's roots

Wintergreen Performing Arts will present the voices of the Blue Ridge through its 6th Annual Blue Ridge Mountain Music Fest. The 2011 program features the return of Robin & Linda Williams and Their Fine Group. They have crisscrossed the continent (and beyond) for more than three decades, performing the tunes they love and a hearty blend of bluegrass, folk, old-time and acoustic country.
